Wonder about the various characters waiting for the birth of Jesus' using this online advent calendar.

This link will take you to the Advent calendar.

[Advent Calendar 2023](#)

Or you can go via our [Diocese of Guildford website here](#).

In the event that the direct links stops working the one on the website will still work.

This Advent calendar does not contain pictures of elves and snowmen, instead each day takes you to a picture of the nativity by an artist from a different country or culture. Also a story from the Bible about one of the people who was waiting for the birth of Jesus.

When you click on the door you will find:

an image;

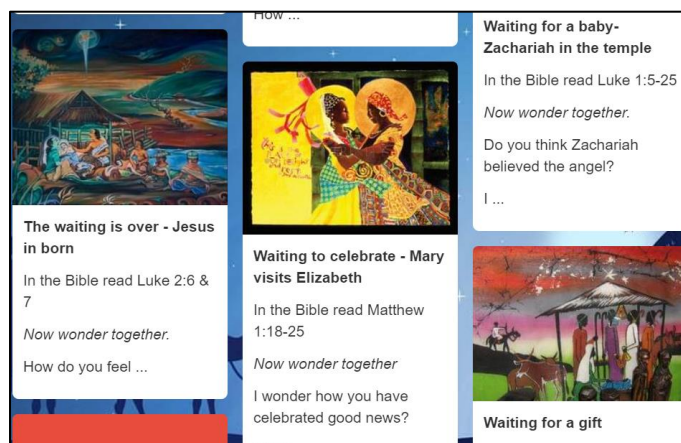

some wondering questions;

a video of the story or a song;

the Bible reference for the story.

The calendar ends on the last day of term.

At the weekend we have provided a picture, a

video that we hope families may enjoy watching together, and some questions to wonder about at home.

On the next page is a summary grid showing the content for each day. You may wish to select questions according to the age of your pupils.

Using the Advent Calendar for collective worship in schools

The calendar would work well in 'class collective worship.

Many videos are aimed at younger children, so you may prefer to read the story from a Bible with older pupils.

For each day to properly be an act of collective worship, spend a few moments together reflecting or praying about the things you've discussed. The questions are designed to establish some connections with the everyday lives of your pupils, so should help you to make this time appropriate and inclusive for all. You might want to ask a child to lead this.
